

Dear Members,

My name is Brad Groves & I am nominating to hopefully be elected to the board of SRV.

I am married to Vikki, we have two grown kids that we taught to ski very young then went onto race towing them around for about 10 yrs.

Im based in the capital of ski racing Echuca & first started ski racing as a Sub Junior skier in 1981 behind the family boat, a Gilfilte Spitfire called Haywire & the whole family was addicted from there with my youngest brother Nick still competing now, driving his 200hp boat Coojac.

For the members that don't know me we ran in Smoc for a number of years with some different boats the most successful one being a F19x called Stalker- Evinrude & now running the F21s in Unlimited Inboard.

In my time as a board member (08 to 11, 12 to 16) I listened to what the members wanted & acted for the members at all times striving for the best possible outcome for members on all matters.

While on the SRV board I have held the portfolios of sponsorship of pt score series including Junior development, course set up, Rookies, & this year Robinvale.

In closing a vote for myself is a vote for the family members as well as single members & I have demonstrated the commitment needed to be a board member over along time, I thank you for your time cheers Brad Groves
