

Hi,

My name is Wesley Davison, I have been involved with boating and water skiing for the past 18 years, I have just completed my first season of ski racing with our boat Streakn, we competed in all the Vic point scores, all the river races, all the cact point scores and the Vic grand prix.

I have loved the sport and enjoyed water skiing from the moment I started, I am very interested in younger development as this is where the future of our sport is going to come from. I wanted to join the srv board to give back to the sport and try to help grow the sport. I understand there is a lot of things that happen behind the scenes for us to all get out there and race, I would like to help with this as much as I can to help insure we all get to continue racing and injoying this sport that we all love.

I understand that I am reasonably new to the ski racing sport but I am also very willing and love to take on new things and commit to them 100%, As a farther of two kids that love the sport I wish to do everything I can to keep us all racing and our sport alive, I am only young myself and can hopefully contribute to our sport with new ideas and a love for our sport.

I am based in Echuca which I believe is a benefit to srv as most of the racing is based around this area, I also run my own business from Echuca which gives me the opportunity to be available when need by the committee to help out.

Yours sincerely

Wesley Davison
