

Merry Christmas and a Happy New Year To All Members

Well it is that time is year again and our entry form for Robinvale 80 2016 will be out soon and this information sheet is to help explain all the costs & entry details and make the whole process easy for everyone.

The first major change is the closing date for entries –

Monday 01 February 2016

this is 2 weeks before southern 80, the reason is to allow us time to get the fields to the SRA seeding committee with plenty of time along with all other processing that is needed to have the program printed and available for competitors 2 weeks prior to race weekend. Please also note that any teams who have boat issues from southern 80 will be able to withdraw their entry with a refund if they notify entries@waterskiracing.com before 3pm Friday 19th February 2016.

The second change is the payment structure

The actual race cost has not changed but we have new levies from SRA and Racesafe cost has increased so we have tried to keep the fees as low as we can but unfortunately the cost of racing has increased.

Each boat is required to pay Racesafe fee of \$132.00 once for the weekend, each boat has a SRA sanction fee of \$45.00 to pay once for the weekend and each competitor has a fee of \$15.00 to pay once for the weekend. This is set out quite clear on entry form with space for you to indicate exactly who you are paying for so fees are not paid more than once , please take your time to follow the steps on entry form if unsure during the process give Sue a call (0488 569 936) and she will help you out.

Note to all competitors also

If more than 2 entries are not received a class *will not* be run any entries will be notified and offered a refund or alternate class entry. *Only disabled and u/10 will be exempt from this condition.*

We hope you and your Family have a great Xmas, Happy New Year

Steve Shipp and the Board of Ski Racing Victoria. 23/12/15
