Dear Members.

May Newsletter,

Can you please read and pass on to any members who have not received.

Grand Prix Cancelled

Unfortunately due to the red alert still being in place for Mulwala and no chance of it being lifted before next weekend's racing the Grand Prix Scheduled for May 7/8 has been cancelled.

We will process refunds over the next week or so.

The board apologies for leaving the notice this late but we were hoping we could still continue with the event.

Emails

The data based used for emails is your contact information supplied to SRA when renewing membership each year. Now it is even more important that your email address is correct as this file is also used for sending on-line briefings like what were done for S80, Robinvale and Mildura. If during a season you change your email address please notify SRA immediately so data base can be updated.

Missing Trophy

We find that we are unable to locate our 6 litre Point Score Series perpetual trophy, it was not presented last year and has not been presented for 2 or 3 years. We are asking if anyone knows its location to contact Lou Mudgway or one of the board.
