WELCOME ALL

September 2021

With all Victorians keen to get back on the water SRV are working with SRA trying to secure racing later in 2021.

SRV Point Scores scheduled for this year are:

PS 1 - 9th & 10th October at Lake Charm (unlikely to go ahead at this stage)

PS2 – 27th & 28th November at Lake Glenmaggie

PS3 Vic Titles – 11th & 12th December at Lake Charm.

With current lockdowns and border closures constantly changing, keep an eye on the website and facebook for updates about the running of scheduled events.

The board are excited to be returning to Lake Glenmaggie after many years. This venue will be a welcome short trip for all our Melbourne members.

SRA MEMBERSHIPS

Get your memberships completed so when racing starts, we are all ready to go – medical, CPR, Working with Children, scrutineering, etc. Don't leave your memberships to the last minute.

SRA are offering direct debit pay by the month with no additional fees as a payment option.

If members are not in a position to pay full membership now, SRA are happy for members to get their completed memberships sent in and full payment or monthly direct debit can start when the season does if that makes things easier. The important thing is to get completed memberships in asap.

All CPR courses that were scheduled on 5th, 11th and 12th September have been cancelled due to extended lockdowns. New dates will not be scheduled until we are in a better position to be confident about lockdowns.

When dates are rescheduled, it may be at short notice to make sure they can be completed before any further restrictions may be imposed and may even be run on a weekday evening.

I will keep everyone who booked into a course up to date.

SRV STORAGE SHED

The SRV board have been looking into the possibility of a storage shed at Lake Charm for a few years to provide a secure home out of the weather for boats and equipment. During the long break from racing some progress has been made into different options and location. SRV will have updates in the coming months including the possibility of some fundraising to help this come to fruition.

OLD PICS OF CURRENT BOARD MEMBERS – DO YOU RECOGNIZE THEM?

Who recognizes this younger, slimmer version of a current board member and his first race boat Shattered?

This one might be a bit trickier. A new board member who first skied behind Urban Menace and skiing behind his current boat Liquid Force.

This should be an easy one she hasn't changed much over the years. Her first race at Lake Charm Vic Titles 2005 behind Crossfire

First race for another new board member behind Urban Menace. This might also give you a hint for the other new board member above.
